PARENTAL LEAVE & MATERNITY POLICIES

Our aim

To create a culture where our people can thrive and feel supported at work. As such, the Firm's approach to parental leave is designed to ensure that anyone who is a parent or is expecting to be a parent has a positive experience prior to parental leave, during their parental leave and upon their return to work whichever type of leave they decide to take.

Our parental leave policies* cover:

Maternity – We offer both statutory maternity pay (SMP) and enhanced maternity pay (EMP), subject to eligibility*. If eligible, EMP provides 100% of your salary in weeks 1-16 and 50% of your salary in weeks 17-28. Weeks 29-39 are at the government set rate (or 90% of salary, whichever is lower). In order to receive EMP, you must undertake to remain continuously employed by the Firm and to return to work for a period of at least six months from the date of your return to work before providing and notice of resignation*.

Paternity – We offer enhanced paternity pay (EPP) as full basic pay for up to three weeks*.

Shared Parental Leave – SPL allows parents to take up to 50 weeks' shared leave in total following the birth or adoption of a child*.

Adoption and Surrogacy*

Ordinary Parental Leave – Allowing up to 18 weeks unpaid leave for employees who have parental responsibility for a child / children*.

* Full details can be found in our staff handbook, which will be provided upon offer of employment.

INCLUSION & DIVERSITY

Our focus

We know that to achieve our inclusion and diversity objectives we need to focus on a number of areas:

Developing a diverse leadership – We have a mix of different ethnicity and genders on our leadership groups. We are working hard to improve the gender balance of our partner team and we are striving for 30% female representation by 2025.

Attracting a diverse workforce – This means adopting a properly personal approach when connecting with those interested in joining our team including: ensuring fairness in our processes; working with those, like recruiters, who help us in this; a commitment that you will always meet male and female talent in our recruitment interviews.

Engaging with everyone in our team to ensure they are heard, supported and understood. Encourage everyone to develop their own voice in shaping our culture, their future and our service to clients. That might be working flexibly or that might be a specific career programme - everyone needs different things at different times.

Helping all our people in all roles to achieve their full potential. We provide training, coaching, internal mentors and buddies, whatever works for each individual and their own personal development path.

"As the I&D Partner Lead of the Firm, I am acutely aware that our vision and values are built around the word 'personal'. We are a people business dependent on brilliant client relationships. Inclusion and diversity objectives are therefore not 'soft' business aspirations, they are fundamental to our success"
